- Can be mounted on Nordlux base unit
- Durable material that is well-suited for harsh weather
- 15-year guarantee on extensive corrosion

Amalienborg is a classic and stylish outdoor light fixture. The three shades diffuse light while eliminating glare. Design by Horn.

The galvanized finish makes the light fixture resistant to the Nordic climate. The galvanized finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanized steel for coastal areas. It is possible to purchase a base for pillar lighting appropriate for this product.
