• Contemporary classic style • Matte mouth blown opal glass that emits a soft light
• Elegant on/off string on the socket

Verona is a traditional series in a classic Scandinavian design. Verona is constructed of two beautiful opal white glass shades that ensure a nice even distribution of light into the room. Simultaneously, the contrast between the white opal glass and the matte black metal contributes to a modern look.

Verona table lamp emits a soft glare free light without compromising on the light output. Therefore, the timeless table lamp can be used anywhere in the home that needs a little extra light, for example in the windowsill, on the bookcase or on the small table next to the couch. The table lamp is turned on and off with an elegant textile cord on the socket.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may
