Suitable for Seaside: True
Colour: Copper

- Built-in parallel connection • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

The Venø series is elegant and timeless in its design. The light is diffused through the three shades for a soft and pleasant lighting pattern. Design by Horn.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes copper to develop a beautiful, darker patina.
