Product net weight (kg): 4.1

- Build-in parallel connection • Can be mounted on Nordlux base unit
- Durable material that is well-suited for harsh weather • 15 year warranty on extensive corrosion

The Venø series is elegant and timeless in its design. The light is diffused through the three shades for a soft and pleasant lighting pattern. Design by Horn.

The galvanized finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanized steel for coastal areas. It is possible to purchase a base for pillar lighting appropriate for this product.
