Length of the cable (cm): 120
Surface material of the cable:
Plastic
Colour: White

- Connects Bluetooth Mesh to Wi-Fi • Opens up for advanced functionalities
- Compact size

The Smart Light Bridge enhances the features and functionalities of the Nordlux Smart Bulbs. In addition to instantly controlling the bulbs via Bluetooth, the Smart Light Bridge makes it possible to set schedules and programs, control the lights from anywhere and activate a presence simulation, when the family is on vacation. As Nordlux Smart Light is compatible to the smart home assistants Amazon Alexa and Google Home, it is also possible to control the lights by voice. The bridge must be purchased separately.
