- Industrial style
- Beautiful light effect with holes in the shade
- Material mix with matt metal and brass details
- Soft industrial design

Pine is a decorative series in an industrial design that creates a nice contrast to the bright Nordic interior style. With the combination of the matte metal and elegant brass details, the series obtains an exclusive look. Pine gets a unique character and an innovative light experience with the small holes in the top and side of the shade, creating a beautiful effect when the light is spreading out into the room.

Pine pendant in matte grey metal has various applications - use it above the dining table or to illuminate a dark corner of the living room or bedroom, where a beautiful light effect is created on the wall.
