- Glamorous art deco design • A beautiful mix of brass and smoked glass
- Diamond pattern that reflects light in an exciting way • Hang 3 lamps together in a line or cluster

Orbiform oozes of exclusivity and glamor. The series combines brushed brass with a pentagon-shaped glass dome adorned with a beautiful diamond pattern that enhances the lustre of the glass and provides a unique light effect in the room. The beautiful glass gives associations to the period with crystal interior, which now again has become a popular decor element.

Orbiform pendant contributes to a stylish and glamorous atmosphere. Use it above the dining or coffee table or to light up a dark corner in the living room where the light pattern will be reflected beautifully on the wall. Decorative brass canopy completes the decorative look.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
