- Scandinavian minimalistic design
- Built-in Moodmaker™ technology for adjusting brightness and colour temperature operated from wall dimmer switch
- Provides a soft, diffused light

Piso oozes of Nordic minimalism. The stylish design gives Piso a timeless and modern expression, where the large illuminated surface contributes to a beautiful homogenous light. The slim design is combined with built-in dim-to-warm technology operated by your wall dimmer switch, which makes it extremely easy to change the light temperature in your room.

Piso is a timeless ceiling lamp that fits nicely into any home. This ceiling lamp is ideal in rooms where you need bright light without taking up unnecessary space, for example in the entrance or hallway. Piso is made of matte grey metal and the frosted shade gives a homogeneous glare-free light.
