- Scandinavian minimalistic design • Moodmaker™ 3-step dimmable with memory function
- 350 lumen per lamp head
- Adjustable joint and flexible lamp head for a directional light • Long LED lifespan (25,000)

Slim Nordic design and innovative technology are combined in the most compelling way in the Clyde series. Clyde has a built-in Moodmaker™ function, which allows you to adjust the light in three steps according to needs and situation from your regular wall switch.

Clyde is a practical and functional table lamp where the lamp head can be adjusted up and down according to needs and situation. With the built-in Moodmaker™ function the lamp can be used as both task lighting and warm cosy lighting in the living room and bedroom.
