- Contemporary art deco style
- Matte white opal mouth blown glass
- Adjustable joints for perfect placement
- Can be used on both wall and ceiling

Contina combines attractive design and functionality, where it is the carefully selected details that make the series stand out and unique. The light frame is completed by a spherical opal white glass dome that hides the light source and spreads a soft glare free light into the room.

Contina wall lamp in black matte metal questions the traditional idea of how lamps should be used. The long flexible arm makes Contina applicable both as a wall and ceiling lamp.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
