Montone is a classic and timeless ceiling lamp with an opal white shade, which gives a nice and pleasant light. The simple expression means that Montone fits beautifully into most homes. The ceiling lamp has an integrated LED lighting source, which is energy-saving and contributes to long life.

Classic ceiling light for indoor use with IP44, which makes it ideal for placement in the bathroom, in a hallway, or in a basement. The ceiling lamp is equipped with a built-in motion sensor that makes Montone extremely convenient, as the light turns on and off automatically when you enter the place. The passive infrared sensor is adjustable which means that you can change both lux, time and radius according to your needs.
