- 2-step Moodmaker™ dimming by touch switch
- Night light (60 lumen)
- 5-year LED guarantee

Helva Night is a modern and minimalistic wall lamp with integrated LED and 2-step Moodmaker™ functionality that allows you to choose between full light or night light with a simple touch on the lamp switch. One touch turns on both the top and bottom light, while another touch only turns on the bottom light. The built-in memory function remembers your last light setting when turning the light on and off by the wall switch.

Helva Night has a high IP degree (IP44) which makes it suitable for humid areas such as the bathroom.
