- 3-step Moodmaker™ dimming (3000/4000 kelvin) by your regular wall switch
- Night light (100 lumen)
- Two detachable rings included
- Easy installation
- Long LED lifespan (25,000 hours)

Noxy is a minimalistic ceiling lamp with integrated LED and 3-step Moodmaker™ SceneSelect function, that is operated by your standard wall switch and offers you a night light option that direct the light only towards the ceiling.

The 3-step Moodmaker™ enables you to control the colour of the natural light, RA90, by having the ability to switch between cold (4000K) and warm (3000K) tones. Noxy in black is delivered including 2 detachable rings in aluminium and brushed brass which gives you the opportunity to add the final detail in the way you like most.
