Energy Class: G
Actual Watt (W): 2

- 2-step Moodmaker™ (3000/4000 kelvin) by your regular wall switch • Parallel connection possible • Recessed and surface mounting possible
- Cable included (60 cm) • 5 year LED guarantee

The under-cabinet light Kitchenio is very flexible when it comes to installation as it can easily be recessed, or surface mounted using either screws or double tape. Especially, the included 2 or 4 wire connector block make Kitchenio ready for immediate installation. Equipped with both a 2-step Moodmaker and a memory and reset function enables you to change and save your favourite light setting.

The 2-step Moodmaker within the Kitchenio under cabinet light enables the possibility to obtain warm light by one single click and cold light by another click on the switch.
