Cuba is an LED lamp of minimalistic design and high functionality as it is ideal for placement on both ceiling and wall. The round lamp emits a beautiful and functional light, and even has a high degree of protection, IP54, which makes it ideal for outdoor use. As Cuba is suitable for humid areas, it can further be mounted in the bathroom or basement.

Cuba Bright was given its name based on its high lumen output, which increases the light output of the lamp while maintain a soft and warm light. The opal white colour of the lamp makes it suitable for every type of interior design.
