Lifetime (h): 30000
Beam Angle (°) : 120
Energy Class: E

- Very high light output (1600 lumen) • Designed for both wall and ceiling mounting
- 5 year LED guarantee

Cuba is designed with a fixed LED module, which enables a slim and minimalistic design and high functionality ideal for placement on both ceiling and wall. The round lamp emits a beautiful and functional light, and even has a high degree of protection, IP54, which makes it ideal for outdoor use. As Cuba is suitable for humid areas, it can further be mounted in the bathroom or basement.

Cuba Bright was given its name based on its high lumen output, which increases the light output of the lamp while maintaining a soft and warm light.
