*"Design For The People
is a vision of creating
cool design products at
a price everyone can
afford. Design with a
Nordic twist intended
for people all over the
world".*

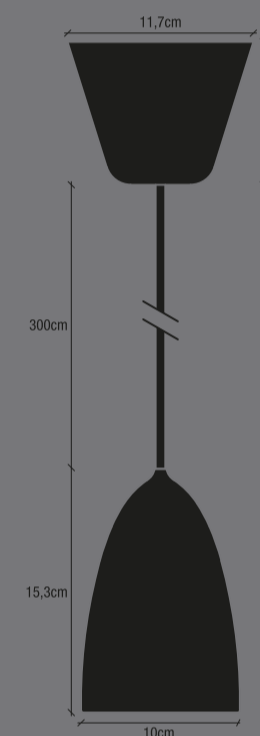

NEXUS 2.0
Designed in Denmark by
Bønnelycke mdd

Bønnelycke is driven by an
unsurpassable urge and
desire to work constructively
and innovatively. He started his
career in 1988 with the design
of lamps, furniture and interior
spaces. Quickly, he became
known as an unconventional
architect with no whims and
fancies.
