*"Design For The People  
is a vision of creating  
cool design products at  
a price everyone can  
afford. Design with a  
Nordic twist intended  
for people all over the  
world".*

**MIB 6**  
Designed in Denmark by  
Bønnelycke mdd

Bønnelycke is driven by an  
unsuppressable urge and  
desire to work constructively  
and innovatively. He started his  
career in 1988 with the design  
of lamps, furniture and interior  
spaces. Quickly, he became  
known as an unconventional  
architect with no whims and  
fancies.
