- 3-step Moodmaker™ dimming by wall or cable switch • Including external wire/plug •
- Natural light (RA90) and high light output
- Decorative aluminium details • 5-year LED guarantee

Curtiz is a LED wall light in a minimalist, modern design. It lights both up and down, creating a cosy ambience that you can adjust by the built-in three-step Moodmaker™ dimmer. The dimmer works by the by the switch on the included cable or your regular wall switch, setting the brightness of the light with one, two or three flicks of the switch. The convenient built-in memory function remembers your last dimmer setting.
