- Modern interpretation of the classic chandelier • Mouth blown glass
- Emits a beautiful light from the glass balls for a modern and extravagant style

Ivona is a reinterpretation of the classic chandelier - challenging the traditional perception with a more organic and up-to-date look. Ivona emits a beautiful light from several beautiful glass balls for a modern and extravagant style.

Black steel and smoked glass creates a cool, industrial look. Add a decorative bulb to create your own design expression.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
