- Modern and decorative design
- Mouth blown glass shade
- Characteristic twisted fabric cable

The Uma series adds a modern and decorative touch to the classic pendant. The mouth blown glass shade has an elegant, oval shape that frames the light beautifully.

The fading colour of the glass shade creates a unique look showing off the bulb inside. Use a decorative bulb to create your own design expression.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
