Product net weight (kg): 2.284

Beautiful light and shadow effect • Parallel connection possible • Easy to install with the included base • Extra durable material suitable for coastal areas (Designed For Seaside) • 10-year guarantee on surface deterioration

Sculptural design and modern minimalism are the keywords for the Aludra series by renowned Jacob Jensen Design. A compact garden light that creates a beautiful light and shadow effect illuminating certain areas of your outdoor spaces. Easy to install with the included base. This product is part of our "Designed For Seaside" range, crafted with a unique surface treatment and paint to withstand even the harshest coastal weather conditions.
