Actual watt (W): 4.5

- Solar charged • Motion sensor turns light on
- Easy to install with the included spike • Long LED lifespan (30,000 hours)

The Rica series is a series of cordless, solar powered garden lamps in a modern and minimalist design. The pole lamps are charged by sunlight during the day, and turn on automatically when detecting motion. The downwards facing light is perfect for illuminating your main entrance, driveway or other areas with a lot of traffic. Easy installation with no cables needed using the included spike.
