BLANCHE FLOOR BLANCHE FLOOR BLANCHE FLOOR by Bjørn + Balle by Bjørn + Balle The designers combine minimalistic Scandinavian design with international trends. It's about image creation and BLANCHE FLOOR recognizability. The overall identity of the product is its form, function, details, structure and materials, which all comes together. A product never stands alone but is part of an environment where the story being told supports the design. by Bjørn + Balle BJØRN + BALLE have both carried out a large number of Item number 2120794035 **ENERG*** **DFTP**2120794035 design tasks for both national and international clients at Brushed Brass many different areas, such as product design, furniture design, interior design, identity programs and exhibitions, and together they have great success with lighting design. Metal/Plastic IP20, indoor use only, class II 220-240~50/60Hz input voltage BJØRN + BALLE has delivered a wide range of innovative technical solutions for the industry, as well as beautifully designed products for the consumer market.
