The image shows a standard EU energy label for a Nordlux light fixture. At the top left is the European Union flag. To its right is the word "ENERGY" in a bold, blue, sans-serif font, followed by a lightning bolt icon. Below this, the brand name "Nordlux" is printed in a smaller, black, sans-serif font, followed by the product number "2212546116". The main part of the label features a vertical scale of seven energy efficiency classes, labeled A through G. Each class is represented by a colored arrow pointing to the right: A (dark green), B (medium green), C (light green), D (yellow), E (orange), F (dark orange), and G (red). The class 'D' is highlighted with a black arrow pointing to the left, indicating the product's energy efficiency. At the bottom left, the energy consumption is listed as "2 kWh/1000h". To the right of this is a QR code and the date "2019/2015".
