• Durable, powder coated metal • Ribbed diffuser creates a pleasant light
• Parallel connection possible

The Coupar series by Danish design duo Says Who exhibits a modern take on the traditional lantern. With clean lines and yet a soft, rounded design expression, the series effortlessly combines classic characteristics with a modern, contemporary look. The ribbed shade ensures a pleasant, diffused ambience while casting an interesting play of light. Carried out in durable powder coated metal. Easy installation in ground with the Nordlux base unit.
