Actual watt (W): 3

• Portable and re-chargeable with included Micro-USB cable • High lumen output (300 lumen)

• 3-step Moodmaker™ • Long LED lifespan (30,000 hours)

Jim is designed by Danish design duo Says Who. The series has a rounded, airy silhouette and a practical handle that makes it easy to place wherever you need it. The portable lamp is battery powered and has Moodmaker™ functionality that makes it possible to adjust the light in three different light settings - perfect to set the right ambience on the terrace, balcony or in the garden. The lamp is easily charged with the included USB cable.
