Model: U.S. Item: Denmark: G. 1000000000000000

Anker Studio was founded by Danish designer Jonas Birkebæk Poulsen, who grew up with design from an early age, making it an integral part of his daily life.

For Jonas, great design always starts with something surprising, a tiny detail, something that sparks curiosity.

It's never just about function. Of course, a lamp should provide good light. But the real magic happens when form and function come together in a way that feels natural — and a little unexpected.

Jonas B. Poulsen
