- Modern Italian style • Adjustable shade
- Soft, indirect light • Elegant material mix of marble, brass and metal

Mademoiselles by Danish design studio Mavro/Lefèvre has a fun and light-hearted design expression where the round, oversized shade is balanced by the solid, marble base. Light is reflected upwards onto the bottom of the shade, creating a soft, indirect ambience.

Marble is a unique natural material and therefore lines, colours and patterns may vary from lamp to lamp. This is a part of the charm of working with natural materials.
