- Wall light and shelf in one
- The opal glass shade provides a soft, diffused light
- Perfect in the children's room

Lilibeth is a lamp and shelf in one elegant design. Place it next to your bed or in the hallway to hold important necessities such as your phone, book or keys. The opal white glass dome ensures a pleasant, diffused light. Also perfect as a bedside light for the children's room to make your little ones feel safe during the night.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
