A close-up photograph of the 'Lampiera' wall lamp. The lamp features a white, circular, disc-shaped base mounted on a wall. A cylindrical metal rod extends from the center of the base, supporting a long, rectangular, illuminated arm. The arm is made of a translucent material that glows with a warm, yellow light. The top and bottom edges of the arm are finished with a metallic, brushed metal trim. The background is a plain, light-colored wall.
