Product net weight (kg): 3.255

- Built-in parallel connection
- Durable material that is well-suited for harsh weather
- 15-year guarantee on extensive corrosion

Elegant galvanized outdoor wall light in a classic design. The wall light can be connected in parallel and is perfect for mounting in the driveway, at the entrance, on the terrace, or in the patio.

The galvanized finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanized steel for coastal areas.
