- Built-in parallel connection • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

A classic light fixture from Nordlux, suitable for mounting in the driveway, at the entrance, on the terrace, or on the patio. This model is designed with an upward facing lampshade.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
