Sales Box Volume m³ : 0.0114
Net weight of the luminiare (kg): 1.405

• **Build-in parallel connection** • **Build-in daylight and motion sensor**
• **Build-in parallel connection**

A classic light fixture from Nordlux, suitable for mounting in the driveway, at the entrance, on the terrace, or on the patio. This model is designed with an upward facing lampshade. The built-in sensor ensures that the light turns on automatically when it detects motion nearby. At the same time, it ensures that the light is not turned on unnecessarily.

Maintenance: Treat with acid-free oil 3-4 times a year. We do not recommend stainless steel light fixtures for aggressive environments.
