- Build-in parallel connection • Can be mounted on Nordlux base unit
- Build-in parallel connection

A classic light fixture from Nordlux, suitable for mounting in the driveway, at the entrance, on the terrace, or on the patio. An elegant garden light, whose simple and classic design makes it very useful. The light can be placed next to the mailbox or along walkways.

Maintenance: Treat with acid-free oil 3-4 times a year. We do not recommend stainless steel light fixtures for aggressive environments. It is possible to purchase a base for pillar lighting appropriate for this product.
