- Glamorous, modern style • Opal white, mouth-blown glass
- Provides a soft, diffused light

Lilly beautifully balances simplicity with elegance. The minimalist metal frame contrasts softly with the luminous opal glass domes, which spread a warm and pleasant light.

The combination of clean lines and round glass shades creates a refined and decorative design that works perfectly above a dining table or in the living area.

The glass in this lamp is mouth-blown and has been individually crafted by hand. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
