- Decorative perforated design
- Beautiful light effect
- Extra durable material suitable for coastal areas (Designed For Seaside)
- 10-year guarantee on surface deterioration

Designed by renowned Jacob Jensen Design, this Sidara ceiling light combines modern minimalism with a refined, architectural expression. The perforated surface creates a beautiful play of light and shadow in your outdoor areas.

We recommend a high-lumen bulb to achieve the intended light effect.

This product is part of our "Designed For Seaside" range, crafted with a unique surface treatment and paint to withstand even the harshest coastal weather conditions.
