- Decorative perforated design • Beautiful light effect • Easy to install with the included base
- Extra durable material suitable for coastal areas (Designed For Seaside) • 10-year

Designed by renowned Jacob Jensen Design, this Sidara garden light combines modern minimalism with a refined, architectural expression. The perforated surface creates a beautiful play of light and shadow in your outdoor areas. Easy to install with the included base.

We recommend a high-lumen bulb to achieve the intended light effect.

This product is part of our "Designed For Seaside" range, crafted with a unique surface treatment and paint to withstand even the harshest coastal weather conditions.
