The designers combine minimalistic Scandinavian design with international trends. It's about image creation and recognizability. The overall identity of the product is its form, function, details, structure and materials, which all comes together. A product never stands alone but is part of an environment where the story being told supports the design.

Björn + Balte have both carried out a large number of design tasks for both national and international clients at many different areas, such as product design, furniture design, interior design, identity programs and exhibitions, and together they have great success with lighting design.

Björn + Balte has delivered a wide range of innovative technical solutions for the industry, as well as beautifully designed products for the consumer market.

25W 220-240-50/60Hz 1900lm

AKENO
by Björn + Balte

Item number 2620113014
Color Dark wood
Material Metal/Wood
IP Class IP20, indoor use, class II
Input Voltage 220-240- 50/60Hz
Lumen 1900lm for the whole lamp, 3050lm (360 °) for light source
Watt 25W
Kelvin 3000K warm white
Colour rendering RA90
Life hours 30000 hrs
Cable Transparent PVC, 300 cm non replaceable

Model: A2
Lamp: A2
Material: A2
Color: A2
Size: A2
Weight: A2
