- Cool design • Soft, diffused light
- Detachable bottom stem

Latika, designed by Danish design duo Says Who, is a modern interpretation of the classic shade-on-shade pendant. The slim metal shades with a brushed finish form a geometric silhouette, softening the light for a glare-free glow. The result is a minimalist design with high functionality - ideal for dining areas or rooms where you want a calm and concentrated light. The detachable bottom stem allows you to choose the final look.
