- Natural style • Genuine marble in nature's playful colours
- Create your own design expression with a decorative bulb • Marble structure means that not two are alike

With Siv, simplicity is key. The heavy marble base elegantly contrasts the warm, decorative light source and creates an effectful design expression. Create your own look by adding a bulb that fits into your interior.

Marble is a unique natural material and therefore lines, colours and patterns may vary from lamp to lamp. This is a part of the charm of working with natural materials.
