- Modern and charming design • Nordic style • Portable table lamp • Can be used outdoor
- 3-step dimming • Charging with USB mini cable • 5-year LED guarantee

The Strap series, which was designed by Danish design duo Bjørn + Balle, has a new family member: Strap Battery – the table lamp that can be taken anywhere – which completes the series of wonderful and functional lighting. This time, the distinctive handle has been created in wood. Strap Battery has a built-in LED, which is charged via a USB port. The lamp's IP value makes Strap Battery ideal for use both indoors and outdoors, where the atmosphere can be changed with three different temperature
