- Glamorous art deco style • Diamond pattern that reflects light in an exciting way
- Hang 3 lamps together in a line or cluster

The Hollywood series has something nostalgic about it - it evokes the era of crystal decor, which in recent years has been rediscovered as a decor element. With its many facets, Hollywood adds a sparkling expression which contributes to a stylish atmosphere, providing an exclusive and pleasant mood.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
