Primary material: Glass
Secondary material: Metal
Colour of the glass: Opal white
Colour of the cable: White
Length of the cable (cm): 300
Surface material of the cable:
Textile
Is the cable replaceable: False

- Soft and natural style • Opal mouth blown glass
- Provides a soft, diffused light

Milford is a decorative series, where the opal white glass lends a very particular expression to the series. The combination of the organic forms and the grooved, transparent surface creates elegance and illuminates the room with a soft and warm light.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
