Net weight of the luminaire (kg):  
1.37

Primary material: Glass  
Secondary material: Metal  
Color of the Glass: Opal white

• Glass • Glass

In the most elegant of ways, the Parson series unites two beautiful trends: the use of metal and glass. A powerful and beautiful contrast is created between the rigid black frame and the fine opal-white glass. The soft curves and tight expression are united beautifully to add a certain delicacy to the lamp.
