"Design For The People
is a vision of creating
cool design products at
a price everyone can
afford. Design with a
Nordic heart intended
for people all over the
world."

RAITO 22
Designed in Denmark by
Børnelycke mdd
Børnelycke is known for an
unrepentable urge and
desire to work continuously
and innovatively. He started his
career in 1988 with the design
of lamps, furniture and interior
spaces. Shortly he became
known as an environmental
architect with no whites and
blacks.
