## • Modern yet timeless design

Raito is a modern, timeless and extremely beautiful series of designer lamps where simplicity and elegance merge in the best possible way. The design in opal glass gives the series a pleasant, light surface and a soft, diffuse light that is glare-free and undisturbed. Raito contributes to the current design trends in lighting, where the suspension is made of brass and the shade of opal glass in a beautiful combination. Designed by Bønnelycke mdd

Raito is a beautiful chubby pendant which at the same time reflects a modern and timeless design. The opal glass gives the pendant a soft, diffuse light, which makes the lamp ideal for use throughout the home.
