- Modern but still timeless design • Nordic style
- Soft and diffused light • Modern yet timeless design

Raito is a modern, timeless and extremely beautiful series of designer lamps where simplicity and elegance merge in the best possible way. The design in opal glass gives the series a pleasant, light surface and a soft, diffuse light that is glare-free and undisturbed. Raito contributes to the current design trends in lighting, where the suspension is made of brass and the shade of opal glass in a beautiful combination. Designed by Bønnelycke mdd

Raito is a modern and elegant chandelier, created as a beautiful reinterpretation of the classic chandelier. The design in opal glass creates pleasant lighting that is soft and glare-free, where the volume of the three-armed chandelier fits perfectly above the dining table or in the hall of the house.
