- Modern shape and design • Incl. 2 FSC ash wood tops which are exchangeable
- Beautiful matt finish on shade • Modern shape and design

Moku is a pendant lamp with a modern look that stems from the beautiful, natural materials: metal and wood. The design has been created to provide a glare-free light. The name is connected to the wooden top, included in two different designs for a personal expression. For a simple and pure expression, the wooden top can be omitted. Designed by Bønnelycke mdd

The beautiful combination of black metal and FSC-certified ash gives the Moku pendant a very special and simple expression that fits beautifully into most homes.
