Primary material: Metal
Color of the cable: Black
Length of the cable (cm): 180
Is the cable replaceable: True

• Night Light Function 20lm memory

Sway is extremely beautiful in all its simplicity. The minimalistic design reflects the design duo's sharp eye for tasteful lighting, where every detail has been carefully considered. The light is reflected both up and down, giving a soft and pleasant light. At the same time, the lamp's flexible swivel mechanism allows for a directional light that contributes optimal light conditions. A timeless series that can create joy for many years has been created. Designed by Bjørn+Balle

Not least, the Sway wall lamp has a beautiful and minimalist design, just as it is functional with an eye for detail. The wall lamp has several gorgeous qualities, where both a switch function and USB access has been integrated into the wall bracket. The lampshade is rotatable and the light is reflected both upwards and downwards, creating a soft light without glare.
